EXPERIENCE

Intern Data Analyst AI Variant (Remote) | Bangalore | Feb 2025 – Present

- Developed dynamic Power BI dashboards visualizing core KPIs (revenue, sales funnel, opportunities).
- Automated MySQL data integration, enabling real-time analytics and increased reporting efficiency.
- Analysed lead/opportunity data by industry, channel, and sales stage, delivering crucial business insights.

Real-World PROJECTS

Vogue Assist Chatbot | fashionchatbot.in

React.js - Node.js - AI/Chatbot Integration - Responsive UX/UI

- Designed and deployed a production-grade AI-powered fashion chatbot offering personalized real-time recommendations and interactive Q&A for users.
- Built context-aware conversation memory for seamless, intelligent user experiences.
- Integrated WhatsApp and web chat, delivering omnichannel customer engagement for online fashion shoppers.
- Engineered backend for scalable, low-latency interactions and implemented modern, responsive UI for mobile and desktop.

Crowd Funding Analytics - SQL | Tableau | Power BI | Excel

- Developed an end-to-end analytics solution for crowdfunding metrics, featuring dashboards, inferential modelling, and automated ETL workflows.
- Designed end-to-end interactive dashboards using Power BI and Tableau to track KPIs and derive actionable insights.

Hospitality Analytics - SQL | Tableau | Power BI | Excel

- Analysed global hospitality booking data to uncover patterns in guest behaviour and operational efficiency, using data visualization and advanced statistical techniques.

EDUCATION

K G Reddy College of Engineering

Hyderabad, Telangana | 04/2023,

Bachelor of Technology – Computer Science and Engineering

Skills

-
- **Languages:** JavaScript, Python, SQL
 - **Web/Frameworks:** React, Node.js, Express
 - **Analytics:** Power BI, Tableau, Advanced Excel, DAX, KQL, Business & Web Data Analysis, Pandas, NumPy, Matplotlib
 - **Databases:** MySQL, MongoDB, SQL
 - **Other:** Git/GitHub, Power Apps, App Development, Data Visualization, API Integration, Web Design

Language

English (Proficient), Hindi (Native), Telugu (Fluent)

Interests & Hobbies

Exploring new technologies - Creative data storytelling - Volunteering - Travel – Fitness
